The Michael Cusack Hurling Club would like to thank you very much for your time and for your consideration. Generosity such as yours in the foundation of community organizations like the MCHC. We thank you for aiding the Michael Cusack Hurling Club fulfill its goals and promises to its members and to the community.

Should you have any questions, or would like to contact the club for any reason, we would like to hear from you. Please drop us a line at our club email

cusackhurling@gmail.com

About the MCHC

The MCHC was formally established in March of 2008. Prior to the MCHC, the only outlet for American born players in the Chicagoland area was for those under the age of 18. With the success of the Under 18 team as well as growing interest in the sport of Hurling.

The club is comprised of all American players. There are approximately 25 members currently, but the club is aiming at many more by the end of summer.

The MCHC is a not-for-profit, volunteer based organization that invites community members of all ethnicities and backgrounds to explore this great Irish sport, meet new friends in the community, and help support gaelic games. In order to provide this opportunity to the community we need help from the community. To offset required costs of protective helmets with face masks, hurleys, sliotars, jerseys, and travel and accommodations for the North American Championships, we are working with community members to raise funds.

Sponsorship

To show our appreciation for your generous donation the MCHC offers several options with which to promote and provide publicity for your business throughout the year. Possibilities include:

- ◆ Your customized logo, with link to your website on the official MCHC website
- ◆ Your customized logo on all official club publications
- ◆ Invitations to all sponsored events
- ◆ Your logo on all of our t-shirts and casual wear

2010 Season Events

2008 saw the MCHC host matches at Chicago Gaelic Park, in Oak Forest and travel to tournaments throughout the Midwest. Social events are also held regularly around the Chicagoland area. The highlight of previous seasons were the exceptional performance at the annual North American Championships held in Boston during the Labor Day weekend. The club placed second, falling in the Championship game by a close margin.

In 2011, the Championships will be in San Francisco. The MCHC will be looking to make Chicago proud and represent our city as best we can. Matches are social events will again be held throughout Chicago and the Midwest. This year will see our members participating in several charitable events including the Palos Bank Half Marathon.

The 2011 schedule is still being finalized. This summer will include matches at Minneapolis in the North Star Tournament, the Chicago 7-a-side tournament, the Midwest Tournament in Madison, Wisconsin, and the annual Chicago hurling championship.

The MCHC will be participating in the Chicago Gaelic Park Irish Fest. This is the 25th Anniversary of the Irish Fest and promises to be a great time.

The Club updates its website routinely as social events are finalized. Please visit us online at www.chicagocusackhurling.com for details.
